NEWS FROM THE PRINCIPAL

Katherine Coulter

Dear Parents /Caregivers,

Welcome back to Term 3, this term is going to be busy as we have lots of interesting and exciting things happening. Next week the School will have some musicians visit, they are going to work with our girls to write a song about women and the contributions they have made throughout history. Then the school will be entertained by the Femina Australis concert. So make sure you get the children to school.

Student and Family Information

It has come to our attention this week that much of our data is not up to date. If you change phone numbers or address please let the front office know, as soon as possible. It is imperative that we are able to contact parents or caregivers at any time. It is also very important that we have enrolment forms for every student in the school, if you have returned or just joined Warlawurru please make sure we a completed enrolment form. If you are unsure if we have your current information please give it to your bus driver on Monday.

School Buses

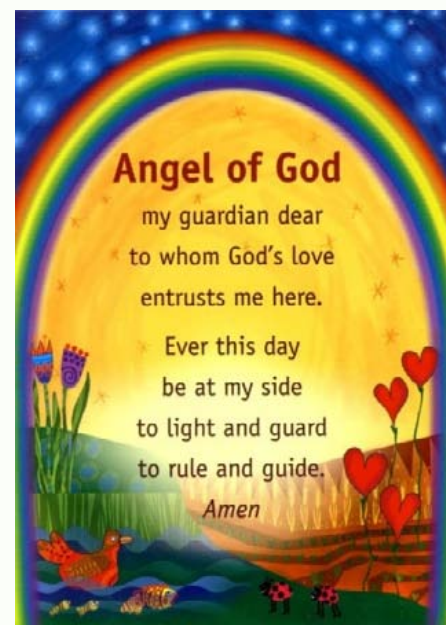

Please be on time for the buses. If you are not ready, let the Mr Steve or Mr Warren know, most of the time they may be able to come back. We are changing some of the routes to make the trips more stream-line as so the children are not in the bus for too long, but this requires cooperation from everyone. Also, if there is a change in pick up or drop off, please inform the school as soon as possible.

Canteen

Due to unforeseen circumstances, Miss Kelly was unable to take up the position of cook in the canteen, but we have been very lucky to have Miss Zarema accept the position. Miss Zarema has some great ideas for the lunch and morning tea menus. Please make her feel welcome. Also thank you for the parents and caregivers who have paid for their school lunches, remember it is \$3.00 per day for a healthy morning tea and cooked lunch. No student will miss out on being feed due to non-payment.

Uniforms

It is very pleasing to see so many students in their uniforms, thank you for your cooperation in this matter. Uniforms are available from Miss Zarema in the kitchen. The students love wearing their uniform and it gives them a sense of pride and belonging. It would be wonderful to have everyone in uniform one day.

30th Anniversary

Warlawurru Catholic School celebrates 30 years of quality Catholic education in Red Hill this year. We have many things planned, but the most important thing is our big celebration day on Wednesday 20 September. We will have an Open Day, celebrate Mass, and have activities and displays. It is hoped that as many past and present students, teachers and families will come to the big party. If you know anyone who went to Warlawurru please invite them to our celebration. It would be great if some of the past students were willing to talk and share their Warlawurru Story! They can contact the school for more information.

It is with a heavy heart that we have to say goodbye to Miss Brittany, she is moving to Geraldton to be with her family. I would like to publically acknowledge her efforts and work for the school over the past two and half years, we will miss her smiling face in the front office. I am currently in the process of hiring her replacement.

Remember that your child needs to be at school every day, so they can learn and achieve to the best ability. If you know someone who should be at school or is new to town please promote and direct them to our wonderful school. I will be in Perth for a few days in the coming weeks for meetings. These meetings are very important, as I will be promoting our school and all we do here at Warlawurru. Miss Christine will be in charge whilst I'm away, but I will be in regular contact with the school and will be available for any important school matter.

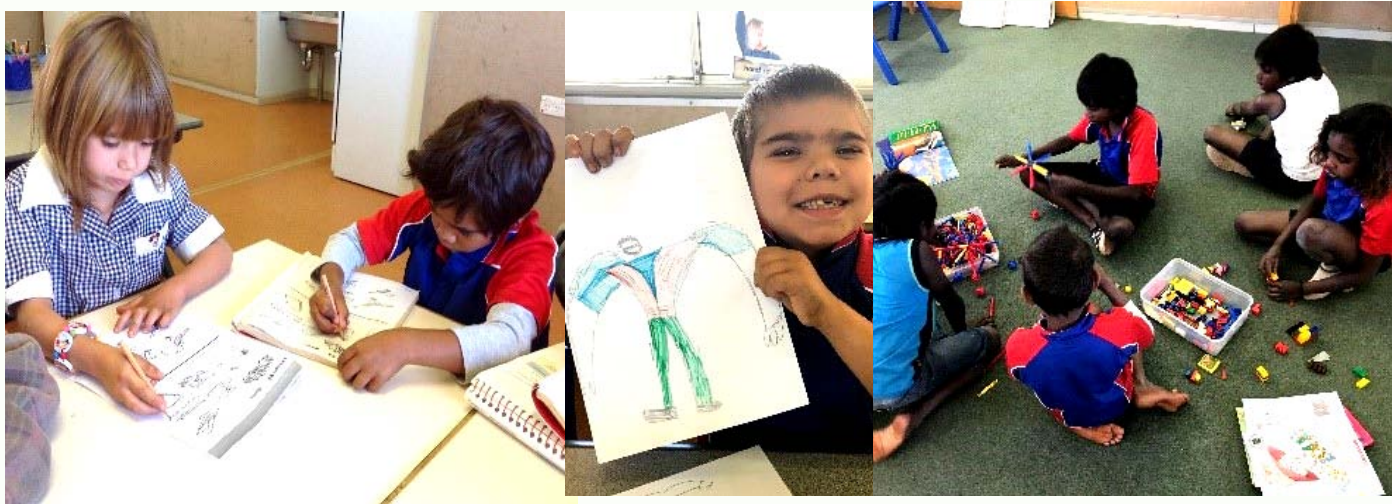

Have a safe and relaxing weekend!

NEWS FROM THE MIDDLE PRIMARY

Roseline Landsberg

We are back into learning

Middle Primary has had a good start to school this Term. After speaking to the children about the great holiday they have had, they have now agreed that it is good to be back at school to catch up with all the friends and chat about their holidays too. Here's looking forward to a great Term 3 Middle Primary

Learning is fun And so is having good friends...

NEWS FROM THE SENIOR PRIMARY

WHAT'S THE SCOOP WITH THE SENIOR PRIMARY GROUP?

Welcome back to Term 3 everyone.

This week in Science Mr Steve taught the Senior Primary class about magnets and magnetic force. We learnt that a magnet is an object or material, usually metallic, which produces an invisible force called a magnetic field. The force allows it to attract some metals and to attract or repel other magnets from a distance. It was a fun lesson where we all got to experiment with magnets and magnetic fields. We all got to take 2 magnets home to do our own experiments. We are excited to see what Mr Steve will teach us next week.

Both the Cobra & Black Head Snake groups began new reading programs this week. The Cobras are learning about Geese migration and the Black Head Snakes are learning about living things through their reading stories.
