NEWSLETTER Term 2, Week 10, 2012

Dear Parents and Families,

This will be the final newsletter for the term. I hope many of you are able to join us for some of the great events happening in the final weeks of term. I wish to thank the many parents who have once again supported their children to attend school every day. Early next term, a "Star Attenders" list will be published to recognise this great work. I wish you all a happy and safe holiday.

PATHS Fooling of the WEEK:

Brave is a feeling we get when we push ourselves further than we thought we could go. It takes courage to try difficult things. We have to be careful not to confuse brave acts with risky acts.

Brave!

A PATHS "Star of the Day" is chosen each day at Warlawurru School. Please ask your child if they were chosen today.

NAIDOC WEEK

Halls Creek's NAIDOC Committee is once again organising a great schedule of events for this very important week. Students from Red Hill School will be involved in many activities in town, as well as at the school. Please join us!

Open Day TOMORROW

Tomorrow is our Open Day. We will give out the children's reports and talk to parents and families about the children's learning. It's a chance to ask questions, or find out how you can help at home with your child's education. You are warmly invited to come to our shared lunch at 10 am, which will be followed at 10.30 by an assembly. Parents will then be invited into classrooms to receive reports.

A bus run will be started at 9.00am for any parents wishing to come.

BUS RUN for parents: 9.00am **Assembly: 10.30am**

Shared LUNCH: 10.00am **Reports given out: 11.00am**

MONDAY 8am-10.30am
Shire Oval
All Welcome!

Next Monday is our School Sports Day. It will be held on the Shire Oval from 8.00am till about 10.30am. Children from Kindy to Year 7 will be competing in running races, games and team sports to help their faction win points, and to enjoy themselves. This year Gold, Blue and Red are the teams competing. Please feel very welcome to come along to the oval to watch your children having fun and competing.

School Attendance data:

M	T	W	Th	F
45	47	48	53	43

Data can show many interesting things. Look at these numbers for last week. Thursday's attendance of 53 was the highest attendance of any day this term. It also happened to be School Photos Day. Photos are lovely and they're nice to have, but surely a good education is something that will last longer and be far more valuable. My dream is that one day our whole community can get behind children coming to school every day for the right reasons. Photos are nice to remember the past, but ...
an education can build you a future!

Last week at Red Hill!
 Our school enrolment is
 61 students.
