NEWSLETTER Term 2, Week 4, 2012

Dear Parents and Families,

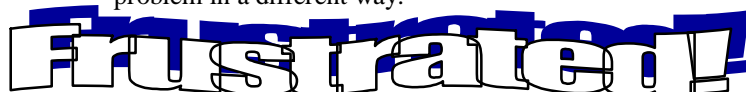

It's an extra-long weekend for students this week-end. Red Hill School will be closed on Monday and Tuesday. Students will be back school next

Wednesday. I'd like to take the chance to say thank you to Malissa Kelly, a teacher from St Munchin's in Perth, who has spent three weeks at Red Hill School sharing her knowledge and experience with our teachers. Malissa has worked very hard and her efforts are greatly appreciated.

PATHS Feeling of the WEEK:

Sometimes when we try to do something and it doesn't work, we feel a mix of anger and disappointment. This is a normal feeling and can help us to sit back and look at a problem in a different way.

A PATHS "Fish of the Day" is chosen each day at Warlawurru School. Please ask your child if they were chosen today.

Congratulations to our Red Hill School NAPLAN testing participants for 2012.

Student-free days

Monday and Tuesday are student-free days. Teachers will be attending some professional training.

Skip school?

With so much happening at Warlawurru Catholic School, it's really not worth missing even a day. 1. Our Kindy students were surprised by the lovely books they received through the Books In Homes programme. 2. JP students Ciara and Alex were delighted with the prizes they received for completing their first Stickers Chart for good work and excellent behaviour. 3. MP students were proud of the wonderful work they did in making realistic aquariums with Miss Louise in Art. 4. These four students were happy that their good behaviour was noticed. They received a book-prize from Books In Homes because they were "Caught Being Good".

It is a rich person indeed who can appreciate where she is, when she is and with whom she is. Life is God's great gift to us. How we live it is our gift to God, to ourselves and to others. Enjoy the gift!
