NAIDOC WEEK

PATHS Feeling of the WORK:

Calm is being relaxed and in control. It means being able to cope with problems without getting too upset.

Calm!

A PATHS "Star of the Day" is chosen each day at Warlawurru School. Please ask your child if they were chosen today.

Halls Creek's NAIDOC Committee is once again organising a great schedule of events for this very important week. Students from Red Hill School will be involved in many activities in town, as well as at the school. Please join us!

St Mary's School Broome

Principal Mr Michael Pepper and Community Liaison Officer Ms Jennifer Cambridge of St Mary's Catholic College in Broome visited Senior students and their parents this week. Mr Pepper spoke about the great Catholic school they have in Broome and how it's the only Catholic secondary (high school) college in the Kimberley. Ms Cambridge explained about the great range of subjects offered at St Mary's and the support services for students coming from other parts of the Kimberley. St Mary's is a tremendous secondary schooling option for our students.

Parish Event

Last week's newsletter advertised a Parish event to mark the beginning of the Year of Grace across the Broome Diocese. Many people came to take part in Sunday's pilgrimage— a journey that provided the opportunity to talk about where we've come from as people, and how our Christian beliefs have influenced our lives. Many thanks go to Sr Alma Cabassi RSJ for organising the event and for all those parishioners who helped out or participated on the day.
