PATHS Value of the WEEK: **Creativity**

Dear parents and families,

I take the opportunity to wish everyone a happy and a holy Easter. I hope the true meaning of God's love is central to all our Easter celebrations. For those travelling over the Easter break, have an enjoyable time and help to keep each other safe. Our Easter celebrations at Warlawurru School include Holy Week prayer tomorrow at 9.00am. Everyone is warmly welcome to come. Children will be involved in retelling the story of Holy Week and Jesus' death through scripture, song and actions. Prayer will be conducted in the Kindy room. We hope to see you there. There will also be a service at 6.00pm tomorrow night, Stations of the Cross at 3.00pm Friday and Easter Mass at 6.00pm Sunday with Fr Matt, all at St Mary's Church. You are invited to come and share your Easter joy with others in the Halls Creek community.

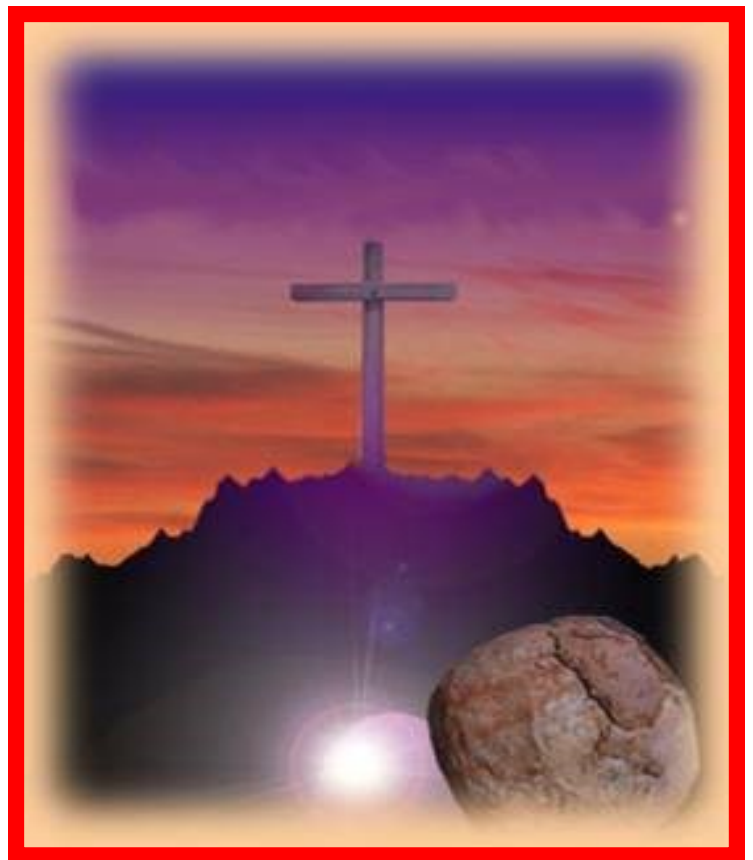

“CREATIVITY =
Always using new
ideas.”

Two PATHS “Kids of the Week” are chosen in each class every Monday at Warlawurru School. Please ask your child if they were chosen today.

School and Community Partnership Agreement

In our last newsletter we published a draft document called the School and Community Partnership Agreement. I invite members of our school community including parents, families, carers, residents of Halls Creek and interested parties to offer feedback on the contents of this document. It was drafted last year by members of the Warlawurru School Community Group working with Elaine McKenzie from the Broome Catholic Education Office. It was reviewed and put forward for publishing as a draft document at our School Community Group meeting on March 12th. We hope to launch this important document at our Open Day on Thursday April 18th. The main themes are included below and the full document is attached to this newsletter, together with an Easter card for your family.
