Home Grown Tomatoes

These four students stayed behind for After School activities on Monday and helped prepare some tasty food from our school garden. The dish they prepared included freshly picked cherry tomatoes and eggplant fritters prepared with egg and cheese. Children were able to taste healthy food they had helped to grow.

Tired???

Children need more sleep than adults. Children younger than twelve should have at least ten hours sleep each night.

Sunday's Gospel

This week's Gospel, from St Luke, is about God's love for us. Jesus told the story of a woman who lost one coin from the ten she possessed. All who heard Jesus understood that any person would look high and low if they lost one tenth of their fortune. God also looks for the sinner, the one who is "lost", which explains why Jesus didn't give up on people who had sinned, but instead valued each person as God does.

That means going to bed by 8 o'clock for a sunrise wake-up. Children who don't have enough sleep can be cranky and find it hard to learn.

8 o'clock is bed time The Mistake!

Each week a mistake will be carefully hidden in the newsletter. Last week photos of Mary G meeting our students at the Halls Creek Music Festival were shown. Mary G's name was written "Mary J". Well done to Kacie for finding the mistake.

UPCOMING EVENTS: Please read these and keep up-to-date with events in our school.

Wednesday September 15th: Open Day— Shared lunch- students take home Portfolios of work from this term to share with their family and friends.
