NEWSLETTER Week 6, Term 4, 2010

Dear Parents and Families,
Miss Clare Scanlon, recently appointed Acting-Principal for 2011, visited our school this week. She met with students, teachers, our School Community Group, our Priest in Charge Fr Denis, parents, local community members and myself. Clare returns to this position in which she served from 1998 to 2000. In her two-day visit she was assisted to update her knowledge of our school, its vision and routine, and our priorities for the coming year. She also had the opportunity to mix informally with students. She must have made a great impression because Walter, Patricia and Kacie (pictured RIGHT) decided to write Miss Clare a wonderful letter of welcome. On behalf of the whole school community, I, too, welcome Clare. She will take over the role of Principal from January 1st, 2011.

School Community Group Meeting **Enrolments 2011**

The School Community Group Meeting was held at Red Hill last Monday. The meeting was well-attended by 11 community members. Acting Principal for 2011 Clare Scanlon was introduced to members and expressed her pleasure in her recent appointment and knowing she was returning to friends and family in Halls Creek. Also discussed at the meeting was the role of our liaison officers. Dianne Sambo asked members to “talk-up” our great school, and to help children attend by making sure they were fed, washed and ready each morning. Dianne thanked families for the good work most of them do in having children ready for school. Minutes of the meeting are available at school and on our website.

Children who turn 4 before June 30, 2011, are the right age to start Kindy next year. If there are any families who want their children to start next year, please see Dean now so we can organise classes for them. Parents wishing to enrol any other students for 2011 should also see Dean so we can make a place for their children.

The Mistake!

Each week a mistake will be carefully hidden in the newsletter. Last week's mistake was in the report about our Extended School Day activities. Mr Andrew Birchall Hunt is teaching the students woodwork skills, not woolwork skills.

Extended School Day

Congratulations to Zhianne and Walter (LEFT) and to Shania for becoming the first members of our Swimming Club to reach 100 laps. They will receive a pair of goggles at assembly on Friday. Each Monday after school, students in Years 4 to 7 learn about swimming techniques with Miss Kylie and try to add to their tally of laps. Swimming Club members will have a chance to swim with students from other schools at a special swimming carnival on Saturday November 27th at 10am.

KITES!

Kites! Kites! Kites!
Beautiful kites!
Colourful kites!
Zooming through the air!
Kites! Kites! Kites!

LEFT: Kindies Mala-chai, Anton and Nateeka proudly show their beautiful, colourful kites.
