### Hail Mary

Hail Mary, full of Grace, the Lord is with you.

Blessed are you among women,  
and blessed is the fruit of your womb, Jesus.

Holy Mary, Mother of God,

Pray for us sinners now,  
and at our the hour of our death.

Amen

## NEWS FROM THE PRINCIPAL

Katherine Coulter

Dear Parents and Caregivers,

On Wednesday, *Femina Australis* visited our school. They are a musical family that travel around Australia bringing life to the stories of remarkable indigenous, immigrant and native born Australian women. They worked with our older girls and Miss Anansa, composing a song that they then performed for the rest of the school. A copy of the song is attached to the newsletter. After the Warlawurru girls performed, we were entertained by *Femina Australis*' concert.

Thank you to those parents and caregivers who are remembering to contact the school when their child is absent. It is law that our children attend school and I appreciate how hard it is to get them here sometimes, please keep up the great work.

It is wonderful to see so many students coming to school every day looking proud in their Warlawurru uniform. Please keep up the great work. Thank you also to the parents and caregivers who are helping out by sending in lunch money. The students love getting their extra egg each day.

I am in Perth at the moment and will be here until next week. During my absence Miss Christine and Mr Steve will be around for any questions or problems. If you need to speak to me, they will organise this.

As I sign off, I am sad to announce that today is Miss Brittany's last day at Warlawurru. We are very thankful for everything she has done over the few years she has been with us. We wish her well for her future.

# NEWS FROM JUNIOR PRIMARY

Hello from Junior Primary!

We have had a busy week at school.

We practiced our handwriting and the Honeybird group wrote a couple of sentences on our own whiteboard.

We have started a new Religion unit called We Belong. We have been discussing how important friendship is and how God made our friends special in their own way. We have been busy making a friendship frame to take home after we display it in the classroom.

We have been focusing on measurement in Math, looking at length: Tall and Short. Our favourite game in math this week has been 'Who has the tallest tower?' We build a tower using blocks and count to up or down to 30. Then we compare towers to see who has the tallest or shortest tower. It's fun to see how tall or short our towers can be!

## ***Music to our ears...***

***Yesterday we had a visit from Mariyen Cairns Singing Songs. The children had a music workshop, which all they loved. I was tapping and swaying to the music too. Music is so good for the soul. From the good interaction we had with the music group, it certainly did say a lot for enjoyment.***

## *MUSIC WORKSHOP WITH MARYEN CAIRNS AND FAMILY*

On Wednesday a group of girls from the Senior Primary and Middle Primary class had the opportunity to attend a music workshop with Miss Anansa. We were lucky enough to have Ms Maryen Cairns a singer and songwriter deliver the workshop along with her family, husband Greg Kernaghan (brother of Australian country singer Lee Kernaghan) and their two children Elvis & Arwen Kernaghan.

The girls had to write a song in this short session, they did well and produced an awesome song. They had to perform it in front of the whole school. It was a great opportunity for the girls to show their writing and musical talents.

They all had fun!

## Verse 1

Going to the bush

Catching kangaroo

Emu too

That's what we do

Going to the bush

Collecting tucker too

Potato, tomato, bush lollies

That's what we do

## Chorus

**Every day I go to Warlawurru**

**Eagle rock, Eagle rock**

**30 years of teaching here**

**Eagle rock**

## Verse 2

Playing with my friends

Outside with my dog

Riding horses too

That's what we do

Playing with my friends

Listening to music

Gaming too

That's what we do

## Chorus
