NEWSLETTER Term 2, Week 6, 2012

Dear Parents and Families,

Miss Crissie will be away for some time and there are some minor changes to the bus times. Children on the Mardiwah Loop run are being picked up later each morning, and some children will be dropped off at home a little later than usual. All children will be picked up in the morning by 8.00 and dropped off in the afternoon by 3.00. We all wish Mr Crissie a speedy recovery.

PATHS Feeling of the WEEK:

Kindness is being warm-hearted and thinking of others in the things we say and do.

Kind!

A PATHS "Star of the Day" is chosen each day at Warlawurru School. Please ask your child if they were chosen today.

Parish Event The Bishop of our Diocese, Bishop Christopher Saunders, has declared this year to be the Year of Grace. Each parish has been asked to organise some events to help parishioners become more involved in the Year of Grace. Sr Alma is organising an event around the idea of pilgrimage and would like your ideas. She lives in the Convent on Thomas St, and works some days at the Op Shop next door. It would be great to share some ideas and come up with an event we can all take part in.

Black & White Our toner supplier won't return my calls or emails, so it's back to the old days for this week's newsletter.

St Mary's School Broome

The Principal of St Mary's College in Broome, Mr Michael Pepper, will be visiting Warlawurru School on Wednesday June 13th at 9.30am. His visit will be to let students and parents know about the secondary education opportunities that exist at St Mary's Catholic College. Many parents are interested in a Catholic Education for their children after they leave Warlawurru. Broome is a real option. Parents of children in Year 5 and over, and other interested parents, are warmly invited.

Skip school?

NO WAY!

With so much happening at Warlawurru Catholic School, it's really not worth missing even a day. 1, 2 & 3. SciTech visited our school on Tuesday. They brought some ingenious science activities which entertained and educated children about air, water, materials and energy.

4. Argyle Mine employees Les and Nancy came to school last Friday to present students Emilia Button and Teeka Moreton with prizes for their great work and attendance in Term 1. They won family tickets to the Kimberley Moon concert in Kununurra on Saturday. Congratulations to both girls.

Trachoma Consent forms

Stapled to this newsletter you'll find a copy of a form from the WA Country Health Service. It's to get permission to check and treat Trachoma, the eye disease that can make you blind if it's not treated. Please fill in the form with the names of your children and return it to school. Thanks.
