PATHS Value of the WEEK:

PRIDE

"Pride"= having satisfaction in all you do.

Dear Parents and Families,

At Warlawurru Catholic School we understand the importance of making learning fun. Teachers work hard to organize activities that are both enjoyable and instructive. We also value each student and the gift they bring to our school. Programmes are created to cater for each student at the level they need. It's important for parents to know how their children are faring and what help they need to succeed. Special Open Days are held each term, but parents are welcome to visit the school at any time to see their children at work, or to help out.

Two PATHS "Kids of the Week" are chosen in each class every Monday at Warlawurru School. Please ask your child if they were chosen today.

We hope to see you here soon!
